RIDGE RIDER VI

YARRA VALLEY » HUNTER VALLEY

YARRA VALLEY » HUNTER VALLEY
The ULTIMATE off-road motorcycle adventure!

We're renowned for creating the most exciting off-road motorcycle events offered in Australia.
If you own an adventure motorcycle RR-VI is a must not miss event.

ABOUT OUR EVENTS

For the last six years, adventure riders from all over Australia have come together for our Ridge Rider Series of off-road motorcycle events. It's a week-long off-road motorcycle adventure like no other.

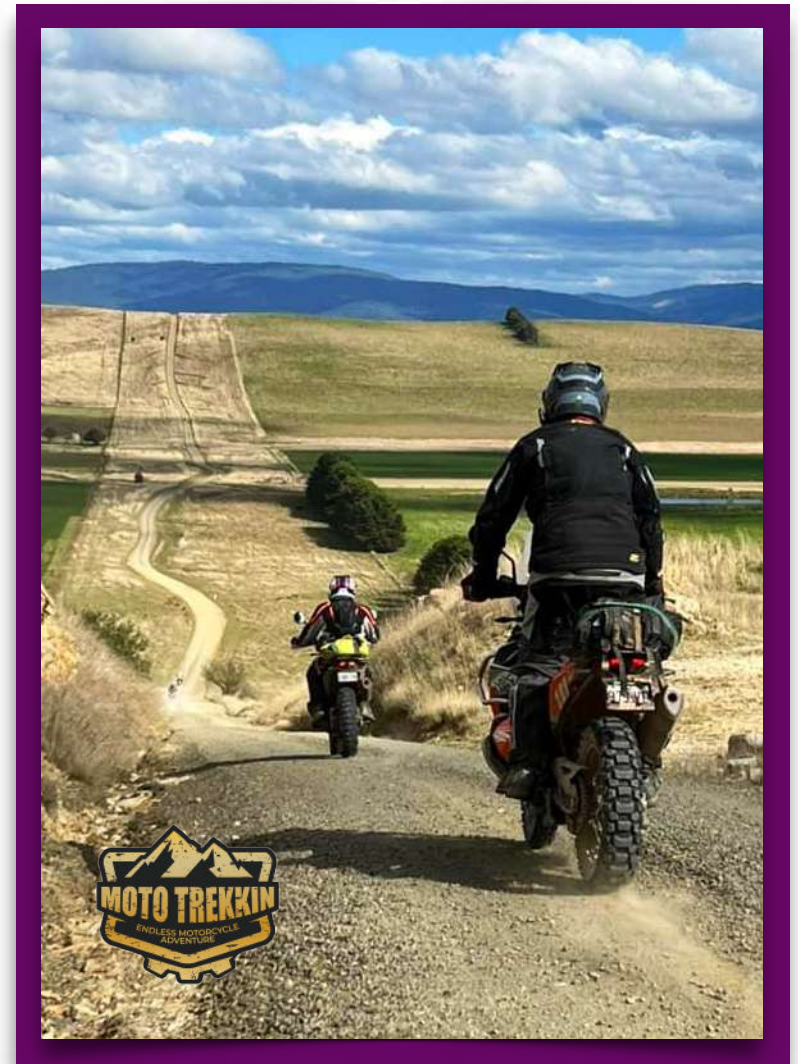

It gives you a break from the daily grind while spending time with mates and riding some of the most scenic off-road trails the Great Dividing Range has to offer.

If you own an adventure motorcycle, this is an annual event you must not miss. Our events are not designed to be a week of motorcycle survival. They are a week of pure off-road enjoyment where you can meet new friends and spend time on the bike, where all the planning and logistics are done for you.

We offer a variety of routes from easy to hard, so that no matter what your skill level is, you can thoroughly enjoy your time with us.

Expect to meet new friends and ride fresh terrain along high ridgelines and hidden valleys that few riders have ever experienced.

Welcome to an off-road motorcycle adventure at its best.

WHO RIDES WITH US

Ridge Rider 6 (RR-VI) is open to all **intermediate-skilled** male and female owners of larger adventure motorcycles who love off-road riding, but don't have the time, experience, or resources to plan a five-day mega motorcycle adventure.

If you run a business, work long hours, or have too much on your plate to organise a logistically challenging ride, this is your chance to get away on the bike with your mates, with all the planning and logistics done for you. You show up and ride — we'll take care of everything else.

RR-VI is suitable for adventure-ready motorcycles ranging from 300cc to the big-bore machines, such as the BMW 1300 GS or GSA, KTM 1290s, Honda Africa Twins, Triumph Tigers, Suzuki DRs and V-Stroms, Ducatis, Husqvarnas, and more. All adventure motorcycle brands are welcome.

All bikes must have a minimum fuel range of 350 km. Fuel bladders and larger tanks on smaller bikes (e.g. Suzuki DRs) are acceptable when meeting the range requirements.

WHY RIDE WITH US

As you've come to expect from Moto TrekkIn, every aspect of our events is meticulously crafted to deliver an unforgettable experience. RR-VI is no exception! From breathtaking trails and winding scenic routes to essential logistics like motorcycle hire, fuel, food, and accommodation, no detail has been overlooked. Along the way, a host of intriguing destinations and hidden gems await your discovery. It's what sets our events apart.

With professional support always close at hand, participants can ride with confidence, knowing assistance is never far away. RR-VI offers more than just a ride — it's a chance to break free from the daily grind, forge new friendships, and immerse yourself in an epic journey across some of Australia's most spectacular landscapes. From the vineyards of the Hunter Valley to the rolling countryside of the Yarra Valley, this is an adventure that goes beyond the ordinary.

WHY SUPPORTED ADVENTURE RIDES?

For many adventure motorcycle owners, venturing into remote, unfamiliar regions on a fully loaded bike is a risk not worth taking.

“I’ve got plenty of experience — and even more common sense these days — to know better than to ride remote trails without solid support.”

We offer serious support as standard on all of our events. We bring both the experience of our team and the equipment needed to get the job done, so you can focus on enjoying the ride.

Our crew includes highly trained medical practitioners in the event of an accident, qualified motorcycle mechanics, and experienced sweep riders, among others. Throughout your RR-VI journey, our entire team is dedicated to providing unwavering support and assistance. Their presence offers genuine peace of mind, knowing that professional help is always nearby.

“I show up and ride — it’s too easy. And it’s reassuring to know the support crew and medical team are never far away.”

We also take care of your accommodation each night, design and pre-check the routes, plan food and fuel stops, and transport your luggage daily. With our support, exploring remote regions doesn’t just become possible — it becomes irresistibly enticing. We even offer a tyre service at each evening rally point.

GALA DINNERS

Three-course event welcome dinner

We kick off RR-VI in style with a three-course welcome dinner alongside fellow participants and the Moto Trekkin crew on Sunday, 3rd May 2026, in the Yarra Valley. It's the perfect chance to forge new friendships, swap stories, and get to know your riding mates before we set off on our journey from valley to valley.

Three-course gala farewell dinner

When our adventure from the Yarra Valley to the Hunter Valley comes to a close, we'll celebrate with a sumptuous three-course farewell dinner. Together, we'll relive the highlights, share laughs and stories from the ride, and toast to new friendships and unforgettable memories. This promises to be one of the most memorable evenings of the entire journey.
